INDEPENDENT AUDITORS' REPORT

To the Board of Participants
Ohio Municipal Electric Generation Agency
Joint Venture 4

We have audited the accompanying statements of net assets of Ohio Municipal Electric Generation Agency Joint Venture 4 ("OMEGA JV4") as of December 31, 2010 and 2009 and the related statements of revenues, expenses, and changes in net assets and cash flows for the years then ended. These financial statements are the responsibility of OMEGA JV4's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of OMEGA JV4 as of December 31, 2010 and 2009, and changes in its financial position and its cash flows for the years then ended, in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated March 17, 2011 on our consideration of OMEGA JV4's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

The Management's Discussion and Analysis enclosed in this report is not a required part of the financial statements, but is supplementary information required by accounting principles generally accepted in the United States of America. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

MANAGEMENT'S DISCUSSION AND ANALYSIS
December 31, 2010, 2009 and 2008
(Unaudited)

Financial Statement Overview

This discussion and analysis provides an overview of the financial performance of Ohio Municipal Electric Generation Agency Joint Venture 4 ("OMEGA JV4") for the years ended December 31, 2010 and 2009. The information presented should be read in conjunction with the basic financial statements and the accompanying notes.

OMEGA JV4 prepares its basic financial statements on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. OMEGA JV4's basic financial statements include the statement of net assets; the statement of revenues, expenses and changes in net assets; and the statement of cash flows.

The statement of net assets provides information about the nature and amount of assets and liabilities of OMEGA JV4 as of the end of the year. The statement of revenues, expenses and changes in net assets reports revenues and expenses for the year. The statement of cash flows reports cash receipts, cash payments, and net changes in cash resulting from operating, non-capital financing, investing and capital and related financing activities.

Financial Highlights

The following table summarizes the financial position of OMEGA JV4 as of December 31:

Condensed Statement of Net Assets

	2010	2009	2008
Assets			
Transmission line, net of accumulated depreciation	\$ 1,471,423	\$ 1,569,698	\$ 1,667,973
Board designated funds	50,000	-	-
Current assets	569,268	587,251	552,729
Total Assets	\$ 2,090,691	\$ 2,156,949	\$ 2,220,702
Net Assets and Liabilities			
Net assets - invested in capital assets	\$ 1,471,423	\$ 1,569,698	\$ 1,667,973
Non assets - unrestricted	603,757	571,325	539,426
Current liabilities	15,511	15,926	13,303

**MANAGEMENT'S DISCUSSION AND ANALYSIS
December 31, 2010, 2009 and 2008
(Unaudited)**

2010 vs. 2009

Total assets were \$2,090,691 and \$2,156,949 as of December 31, 2010 and December 31, 2009, respectively, a decrease of \$66,258. This decrease in 2010 total assets is due to \$98,275 of yearly depreciation expense, offset by current year cash flows generated from operation, net of distributions to participants.

Transmission lines, net of accumulated depreciation, was \$1,471,423 and \$1,569,698 at December 31, 2010 and December 31, 2009 respectively, a decrease of \$98,275. This decrease was a result of yearly depreciation recorded.

Current assets were \$569,268 and \$587,251 as of December 31, 2010 and December 31, 2009, respectively, a decrease of \$17,983.

Total net assets and liabilities were \$2,090,691 and \$2,156,949 as of December 31, 2010 and December 31, 2009, respectively, a decrease of \$66,258.

Total net assets were \$2,075,180 and \$2,141,023 as of December 31, 2010 and December 31, 2009, respectively, a decrease of \$65,843 which resulted from the net income of \$106,508 offset by distributions to participants of \$172,351. Net assets – invested in capital assets were \$1,471,423 and \$1,569,698 as of December 31, 2010 and December 31, 2009, respectively, a decrease of \$98,275. The decrease resulted from decrease in utility plant assets, due to depreciation. Unrestricted net assets were \$603,757 and \$571,325 as of December 31, 2010 and December 31, 2009, respectively, an increase of \$32,432 due to the change in current assets and current liabilities.

Current liabilities were \$15,511 and \$15,926 as of December 31, 2010 and December 31, 2009, respectively, a decrease of \$415 due to the timing of expenses paid to suppliers and related parties, offset by an increase in accruals due to increased audit fees.

2009 vs. 2008

Total assets were \$2,156,949 and \$2,220,702 as of December 31, 2009 and December 31, 2008, respectively, a decrease of \$63,753. This decrease in 2009 total assets is due primarily to a decrease in transmission line, net of depreciation partially offset by increased cash and temporary investments.

Transmission line, net of accumulated depreciation was \$1,569,698 and \$1,667,973 at December 31, 2009 and December 31, 2008 respectively, a decrease of \$98,275. This decrease was a result of an increase in accumulated depreciation.

**OHIO MUNICIPAL ELECTRIC GENERATION AGENCY
JOINT VENTURE 4**

MANAGEMENT'S DISCUSSION AND ANALYSIS
December 31, 2010, 2009 and 2008
(Unaudited)

Current assets were \$587,251 and \$552,729 as of December 31, 2009 and December 31, 2008, respectively, an increase of \$34,522. In 2009 cash and temporary investments increased by \$35,398, primarily as a result of short term investments in the amount of \$110,000 offset by a decrease of \$74,602 in cash generated by operations. Compared to 2008 levels, prepaid expenses decreased by \$942 and accrued interest receivable increased by \$66.

Total net assets and liabilities were \$2,156,949 and \$2,220,702 as of December 31, 2009 and December 31, 2008, respectively, a decrease of \$63,753.

Total net assets were \$2,141,023 and \$2,207,399 as of December 31, 2009 and December 31, 2008, respectively, a decrease of \$66,376 which resulted from the net income of \$105,975 offset by distributions to participants of \$172,351. Net assets – invested in capital assets were \$1,569,698 and \$1,667,973 as of December 31, 2009 and December 31, 2008, respectively, a decrease of \$98,275. The decrease resulted from decrease in utility plant, net of depreciation. Unrestricted net assets were \$571,325 and \$539,426 as of December 31, 2009 and December 31, 2008, respectively, an increase of \$31,899.

Current liabilities were \$15,926 and \$13,303 as of December 31, 2009 and December 31, 2008, respectively, an increase of \$2,623. This resulted from an increase in accrual for audit fees of \$2,284 and an increase to payable to related parties of \$339.

The following table summarizes the changes in revenues, expenses and net assets of OMEGA JV4 for the year ended December 31:

Condensed Statement of Revenues, Expenses and Changes in Net Assets

	2010	2009	2008
Operating revenues	\$ 270,000	\$ 270,000	\$ 270,000
Operating expenses	165,313	165,533	165,429
Operating Income	104,687	104,467	104,571
Nonoperating revenues			
Investment income	1,821	1,508	12,201
Income Before Distributions	106,508	105,975	116,772
Distributions to participants	172,351	172,351	258,516
Change in Net Assets	\$ (65,843)	\$ (66,376)	\$ (141,744)

**OHIO MUNICIPAL ELECTRIC GENERATION AGENCY
JOINT VENTURE 4**

**MANAGEMENT'S DISCUSSION AND ANALYSIS
December 31, 2010, 2009 and 2008
(Unaudited)**

Transmission revenues in 2010 were \$270,000, unchanged from 2009 and 2008 levels.

Operating expenses in 2010 were \$165,533. This is a decrease of \$220 compared to 2009. The decrease in operating expense in 2010 is mainly due to a decrease in accounting, legal, insurance, MESA services and other expenses totaling \$4,923 which were largely offset by increased maintenance expense of \$4,703, due to forestry maintenance performed in 2010 not performed in 2009. Operating expenses in 2009 were \$165,533. This is an increase of \$104 compared to 2008. The increase in operating expense in 2009 is due to increases in accounting, legal, insurance, MESA services and other expenses totaling \$3,519 which were largely offset by decreased maintenance expense of \$3,414.

Investment income in 2010 was \$1,821, which was an increase of \$313 compared to 2009. The slight increase was due to an increase in assets under investment. Investment income in 2009 was \$1,508, which was a decrease of \$10,693 compared to 2008, a result of lower investment rates and assets under investment.

In 2010, \$172,351 was returned to the participants as a distribution of excess cash. The distribution was authorized by the board of participants. In 2009, \$172,351 was returned to the participants.

If you have questions about this report, or need additional financial information, contact management at 614 540 1111 or 1111 Schrock Road, Columbus, OH 43229.

OHIO MUNICIPAL ELECTRIC GENERATION AGENCY JOINT VENTURE 4

NOTES TO FINANCIAL STATEMENTS
December 31, 2010 and 2009

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Ohio Municipal Electric Generation Agency Joint Venture 4 ("OMEGA JV4") was organized by four subdivisions of the State of Ohio (the "Participants") on December 1, 1995, pursuant to a Joint Venture Agreement (the "Agreement") under the Ohio Constitution and Section 715.02 of the Ohio Revised Code. Its purpose is to undertake the Williams County Transmission Project (the "Project"). The Participants are members of American Municipal Power, Inc. ("AMP"). OMEGA JV4 owns and operates the Project. The Project consists of a 69 KV three-phase transmission line located in Williams County, Ohio. During 2010 and 2009 OMEGA JV4 derived a majority of its revenue from two customers. The Agreement continues until 60 days subsequent to the termination or disposition of the Project; provided, however, that each Participant shall remain obligated to pay to OMEGA JV4 its respective share of the costs of terminating, discontinuing, retiring, disposing of, and decommissioning the Project.

The following summarizes the significant accounting policies followed by OMEGA JV4.

MEASUREMENT FOCUS, BASIS OF ACCOUNTING AND FINANCIAL STATEMENT PRESENTATION

The financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Under the accrual basis of accounting, revenues are recognized when earned and expenses are recorded when the liability is incurred or economic asset used. Revenues, expenses, gains, losses, assets and liabilities resulting from exchange and exchange-like transactions are recognized when the exchange takes place.

Private-sector standards of accounting and financial reporting issued prior to December 1, 1989, generally are followed in OMEGA JV4's financial statements to the extent that those standards do not conflict with or contradict guidance of the Governmental Accounting Standards Board. OMEGA JV4 also has the option of following subsequent private-sector guidance subject to this same limitation. OMEGA JV4 has elected to follow subsequent private-sector guidance.

Preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

ASSETS, LIABILITIES AND NET ASSETS

Deposits and Investments

For purposes of the statements of cash flows, cash and cash equivalents have original maturities of three months or less from the date of acquisition, except that restricted cash accounts, if any, are treated as investments in the statement of cash flows.

**OHIO MUNICIPAL ELECTRIC GENERATION AGENCY
JOINT VENTURE 4**

NOTES TO FINANCIAL STATEMENTS
December 31, 2010 and 2009

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont.)

ASSETS, LIABILITIES AND NET ASSETS (cont.)

Deposits and Investments (cont.)

OMEGA JV4 has elected to comply with Ohio Revised Code (ORC) section 135.14. Under ORC 135.14, investments are limited to:

1. Deposits at eligible institutions pursuant to ORC section 135.08, 135.09 and 135.18.
2. Bonds or other obligations of the state.
3. Bonds or securities issued or guaranteed by the federal government or its agencies.
4. Bankers acceptances, with certain conditions.
5. The local government investment pool.
6. Commercial paper, with certain conditions.
7. All investments must have an original maturity of 5 years or less.
8. Repurchase agreements with public depositories, with certain conditions.

OMEGA JV4 has adopted an investment policy. That policy follows the state statute for allowable investments and specifies the maximum concentration of investments in each eligible security.

Investments are stated at fair value, which is the amount at which an investment could be exchanged in a current transaction between willing parties. Fair values are based on quoted market prices. No investments are reported at amortized cost. Adjustments necessary to record investments at fair value are recorded in the operating statement as increases or decreases in investment income. Market values may have changed significantly after year end.

Receivables/Payables

Accounts receivable are amounts due from participants at the end of the year. Due to the participant relationship and the high degree of collectibility, no allowance for uncollectible accounts is necessary. Accounts payable are amounts due to vendors for services incurred.

Prepaid Expenses

Prepaid expenses represent costs of insurance paid during the current calendar year for coverage in subsequent years.

Board Designated Funds

OMEGA JV4's Board of Participants have designated funds for the potential decommissioning of transmission lines.

Utility Plant

The transmission line is recorded at cost. Depreciation is provided on the straight-line method from 19 to 30 years, based on the estimated useful life of the assets. Major renewals, betterments and replacements are capitalized, while maintenance and repair costs are charged to operations as incurred. When utility plant assets are retired, accumulated depreciation is charged with the cost of the assets plus removal costs, less any salvage value.

**OHIO MUNICIPAL ELECTRIC GENERATION AGENCY
JOINT VENTURE 4**

NOTES TO FINANCIAL STATEMENTS
December 31, 2010 and 2009

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont.)

ASSETS, LIABILITIES AND NET ASSETS (cont.)

Utility Plant (cont.)

The transmission line is assessed for impairment whenever events or changes in circumstances indicate that the service utility of the capital asset may have significantly and unexpectedly declined. If it is determined that impairment has occurred, an impairment loss is recognized for the amount by which the carrying amount of the asset exceeds its estimated fair value.

Asset Retirement Obligations

OMEGA JV4 records, at fair value, legal obligations associated with the retirement or removal of long-lived assets at the time the obligations are incurred and can be reasonably estimated. When a liability is initially recorded, the cost of the related long-lived asset is increased. Over time, the liability is accreted to its present value each period, and the capitalized cost is depreciated over the useful life of the related asset. Upon settlement of the liability, the difference between the accrued liability and the amount to settle the liability is recorded as a settlement gain or loss. Depreciation expense and accretion expense incurred, but not yet recovered through rates, are offset by regulatory assets to be recovered through future billings to Participants. OMEGA JV4 has determined that there is no asset retirement obligation associated with the transmission line or utility poles. OMEGA JV4 determined there were no legal requirements currently in place that would mandate special disposal of the utility poles and transmission lines as they are replaced.

Net Assets

All property constituting OMEGA JV4 is owned by the Participants as tenants in common in undivided shares, each share being equal to that Participant's percentage ownership interest as follows:

<u>Municipality</u>	<u>Percent Project Ownership and Entitlement</u>
Bryan	42.00%
Pioneer	30.00
Montpelier	25.00
Edgerton	3.00
	<hr style="width: 50%; margin-left: auto; margin-right: 0;"/>
Totals	<u>100.00%</u>

REVENUE AND EXPENSES

OMEGA JV4 distinguishes operating revenues and expenses from nonoperating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with OMEGA JV4's principal ongoing operations. The principal operating revenues of OMEGA JV4 are charges to participants for transmission services. Operating expenses include the cost of transmission services, administrative expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

**OHIO MUNICIPAL ELECTRIC GENERATION AGENCY
JOINT VENTURE 4**

NOTES TO FINANCIAL STATEMENTS
December 31, 2010 and 2009

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont.)

REVENUE AND EXPENSES (cont.)

Operating revenues are recognized when transmission service is delivered. OMEGA JV4's rates for transmission service are set by contracts with the customers. Periodically OMEGA JV4 will distribute earnings to its participants based on available operating cash. These distributions are approved by the Board of Participants.

EFFECT OF NEW ACCOUNTING STANDARDS ON CURRENT PERIOD FINANCIAL STATEMENTS

The Governmental Accounting Standards Board (GASB) has approved GASB Statement No. 60, *Accounting and Financial Reporting for Service Concession Arrangements*, Statement No. 61, *The Financial Reporting Entity: Omnibus*, and Statement No. 62, *Accounting and Financial Reporting Guidance Contained in Pre-November 30, 1989 FASB and AICPA Pronouncement*. Application of these standards may restate portions of these financial statements.

COMPARATIVE DATA

Certain amounts presented in the prior year data have been reclassified in order to be consistent with the current year's presentation.

NOTE 2 – CASH AND TEMPORARY INVESTMENTS

For purposes of the statements of cash flows, cash and cash equivalents consist of unrestricted cash and highly liquid short-term investments with original maturities of three months or less. Restricted cash accounts, if any, are treated as investments in the statements of cash flows, since they are not available for use.

	<u>Carrying Value as of December 31,</u>		<u>Risks</u>
	<u>2010</u>	<u>2009</u>	
Checking	\$ 451,416	\$ 420,745	Custodial credit
Certificates of Deposit	111,103	110,000	Custodial credit
Government Money Market Mutual Fund	31,960	31,957	Interest rate, credit
Totals	<u>\$ 594,479</u>	<u>\$ 562,702</u>	

Deposits in each local and area bank are insured by the FDIC in the amount of \$250,000 for interest bearing accounts and unlimited for noninterest bearing accounts as of December 31, 2010 and 2009.

**OHIO MUNICIPAL ELECTRIC GENERATION AGENCY
JOINT VENTURE 4**

NOTES TO FINANCIAL STATEMENTS
December 31, 2010 and 2009

NOTE 2 – CASH AND TEMPORARY INVESTMENTS (cont.)

Custodial Credit Risk

Custodial risk is the risk that in the event of a bank failure, OMEGA JV4's deposits may not be returned to it. OMEGA JV4 has custodial credit risk on its cash and temporary investments balance to the extent the balance exceeds the federally insured limit. OMEGA JV4's investment policy requires that amounts in excess of FDIC limits be collateralized by government securities. As of December 31, 2010 and 2009, there were no deposits exposed to custodial credit risk.

Credit Risk

Credit risk is the risk an issuer or other counterparty to an investment will not fulfill its obligations. OMEGA JV4 invests in instruments approved under the entity's investment policy. The Board of Participants has authorized OMEGA JV4 to invest in funds in accordance with the Ohio Revised Code. Allowable investments include United States Treasury and federal and state government agency obligations, money market funds, and commercial paper with the highest classification by at least two nationally recognized standard rating services.

As of December 31, 2010 and 2009, OMEGA JV4's investments were rated as follows:

Investment Type	Standard & Poors	Fitch Ratings	Moody's Investors Services
Government Money Market Mutual Fund	AAAm	AAA	Aaa

Interest Rate Risk

Interest rate risk is the risk changes in interest rates will adversely affect the fair value of an investment. OMEGA JV4's investment policy limits the maturity of commercial paper and bankers acceptances to 180 days.

As of December 31, 2010, OMEGA JV4's investments were as follows:

Investment Type	Fair Value	Weighted Average Maturity (Days)
Government Money Market Mutual Fund	\$ <u>31,960</u>	38

As of December 31, 2009, OMEGA JV4's investments were as follows:

Investment Type	Fair Value	Weighted Average Maturity (Days)
Government Money Market Mutual Fund	\$ <u>31,957</u>	36

JOINT VENTURE 4**

NOTES TO FINANCIAL STATEMENTS
December 31, 2010 and 2009

NOTE 3 – UTILITY PLANT

Utility plant activity for the years ended December 31 is as follows:

	2010		
	Beginning Balance	Additions	Ending Balance
Transmission line	\$ 2,640,938	\$ -	\$ 2,640,938
Less: Accumulated depreciation	(1,071,240)	(98,275)	(1,169,515)
Utility Plant, Net	\$ 1,569,698	\$ (98,275)	\$ 1,471,423
	2009		
	Beginning Balance	Additions	Ending Balance
Transmission line	\$ 2,640,938	\$ -	\$ 2,640,938
Less: Accumulated depreciation	(972,965)	(98,275)	(1,071,240)
Utility Plant, Net	\$ 1,667,973	\$ (98,275)	\$ 1,569,698

NOTE 4 – NET ASSETS

GASB No. 34 requires the classification of net assets into three components - invested in capital assets, net of related debt; restricted; and unrestricted. These classifications are defined as follows:

Invested in capital assets, net of related debt - This component of net assets consists of capital assets, including restricted capital assets, net of accumulated depreciation and reduced by the outstanding balances of any bonds, mortgages, notes, or other borrowings that are attributable to the acquisition, construction, or improvement of those assets. If there are significant unspent related debt proceeds at year-end, the portion of the debt attributable to the unspent proceeds are not included in the calculation of invested in capital assets, net of related debt. Rather, that portion of the debt is included in the same net assets component as the unspent proceeds.

Restricted - This component of net assets consists of constraints placed on net asset use through external constraints imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments or constraints imposed by law through constitutional provisions or enabling legislation.

Unrestricted net assets - The component of net asset consist of net assets that do not meet the definition of "restricted" or "invested in capital assets, net of related debt."

The following calculation supports the net assets invested in capital assets:

	2010	2009
Plant in service	\$ 2,640,938	\$ 2,640,938
Accumulated depreciation	(1,169,515)	(1,071,240)
Total Net Assets Invested in Capital Assets	\$ 1,471,423	\$ 1,569,698

**NOTES TO FINANCIAL STATEMENTS
December 31, 2010 and 2009**

NOTE 5 – COMMITMENTS AND CONTINGENCIES

The Project is subject to regulation by federal, state and local authorities related to environmental and other matters. Changes in regulations could adversely affect the operations and operating cost of OMEGA JV4.

NOTE 6 – SIGNIFICANT CUSTOMERS

Transmission revenue in 2010 and 2009 was derived 67% and 70%, respectively, from sales to a nonparticipant, 31% and 29%, respectively, were to AMP's general fund, who resold these to a participant. The contract with the nonparticipant can be cancelled on or after October 31, 2009 upon written notice six months prior to cancellation. As of December 31, 2010, no notice of cancellation had been received. A decision by the nonparticipant to purchase transmission service from a different provider would cause a significant decline in OMEGA JV4's transmission revenue and possibly impair the carrying value of the transmission line if replacement sales could not be found.

NOTE 7 – RISK MANAGEMENT

OMEGA JV4 is covered under the insurance policies of AMP and is billed for its proportionate share of the insurance expense. AMP maintains insurance policies related to commercial property, motor vehicle liability, workers' compensation, excess liability, general liability, pollution liability, directors' and officers' insurance, fiduciary liability, crime and fidelity coverage. OMEGA JV4 is self-insured for property damage risks related to its transmission line. No claims have been filed in the past three years. There were no significant reductions in coverage compared to the prior year.

NOTE 8 – RELATED PARTY TRANSACTIONS

OMEGA JV4 has entered into the following agreements:

- Pursuant to the Agreement, AMP was designated as an agent and provides various management and operational services. The expenses related to these services were \$14,565 and \$9,862 for the years ended December 31, 2010 and 2009, respectively. OMEGA JV4 had \$1 due to AMP as of December 31, 2010, and no payable due to AMP at December 31, 2009.
- As OMEGA JV4's agent, AMP entered into an agreement with the Municipal Energy Services Agency ("MESA"), a related joint venture, for MESA to provide certain engineering, finance, administration and other services to OMEGA JV4. The expenses related to these services were \$23,730 and \$27,196 for the years ended December 31, 2010 and 2009, respectively. OMEGA JV4 had a payable to MESA of \$1,363 and \$2,712 at December 31, 2010 and 2009, respectively.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS
PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Ohio Municipal Electric Generation Agency
Joint Venture 4
Board of Participants

We have audited the financial statements of Ohio Municipal Electric Generation Agency Joint Venture 4 ("OMEGA JV4") as of and for the year ended December 31, 2010, and have issued our report thereon dated March 17, 2011. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered OMEGA JV4's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing an opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of OMEGA JV4's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of OMEGA JV4's internal control over financial reporting.

Our consideration of the internal control over financial reporting was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control over financial reporting that might be significant deficiencies or material weaknesses and, therefore, there can be no assurance that all deficiencies, significant deficiencies, or material weaknesses have been identified. However, as discussed below, we identified certain deficiencies in internal control that we consider to be material weaknesses.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A material weakness is a deficiency or combination of deficiencies, in internal controls such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. We consider the deficiency described below to be a material weakness.

Ohio Municipal Electric Generation Agency
Joint Venture 4
Board of Participants

Finding 1: Internal Control Over Financial Reporting

Criteria: Statement on Auditing Standards (SAS) No. 115 requires auditors to report a material weakness if OMEGA JV4 is not able to prepare a complete set of financial statements or has material adjusting journal entries.

Condition: For the 2010 audit, the auditors prepared the annual financial statements for OMEGA JV4.

Cause: Due to staffing and financial limitations, OMEGA JV4 chooses to contract with the auditors to prepare the annual financial statements.

Effect: Presentation of the annual financial statements of OMEGA JV4 in accordance with generally accepted accounting principles are not available until they are completed by the auditors.

Recommendation: OMEGA JV4 should consider additional internal controls or other procedures to strengthen controls over the financial reporting process.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether OMEGA JV4's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

We noted certain matters that we reported to management of OMEGA JV4 in a separate letter dated March 17, 2011.

This report is intended solely for the information and use of the Board of Participants, management, and the Auditor of the State of Ohio and is not intended to be, and should not be, used by anyone other than those specified parties.
